

- Purple Bubble PBSC Meeting
April 28, 2024
- reesie moved to make meeting a general meeting; Jasper stands
 - fsync - replace with a link to each file in the bios
 - Jasper set up a records system on GitHub for notes and financial statements
 - Kieran manages financial statements and meeting notes
 - Newsletter platform
 - switch? postal has bad deliverability
 - have a new newsletter for members.
 - Website design stays the same but will change once design team creates a good design that is agreed upon

- analytics
 - pose debated whether analytics are needed but after looking at Yammer's privacy policy we decided it was reasonable
- standup
 - should we keep it two times a week?
 - decision was made to just have one ~~meetup~~ standup on Mondays
- lets go! all of PBSC has exams and about 4 more weeks of school so starting ground next meeting we will try to crank out a MVP
